

Systems Support Engineering Division

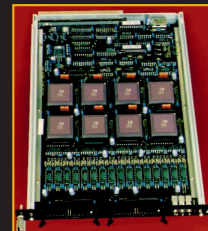

"Quality to the Fleet"

COTS/GOTS

Our Technical Teams provide tractable solutions to the COTS/GOTS Repair Program with today's technologies.

- Test, program, and design economically comprehensive Commercial-Off-The-Shelf (COTS) and Government-Off-The-Shelf (GOTS) repair solutions of both commercial and military equipment integration
- Examine and simplify the complex tasks in planning warranty and life-cycle support of COTS/GOTS equipment, emphasizing reliability and turnaround time
